About Harvest Food Group

Founded in 1999, Harvest Food Group is a privately owned company specializing in sales and marketing of traditional and organic frozen fruits and vegetables to retail, distribution, and food service customers. We have shown strong growth in every year of operation.

From our inception, we have been dedicated to providing the " best frozen fruits and vegetables in the world." We have continually adapted to the geographical realities of the agricultural market, broadening our reach from local to regional to national to global to diversify our supply capabilities and effectively meet the needs of our growing customer base. Today we supply, transport, pack, and store both large and small quantities of common and specialty frozen fruit and vegetable products, traditional and organic.

Harvest Food Group is based in Warrenville, Illinois. We currently supply and store product in North, South, and Central America; Europe and Asia.
